

Dear (Personalized),

Are you ready for Cisco TelePresence, a high-impact technology innovation that will revolutionize your customers' ability to interact and collaborate worldwide? Your company is among only 22 Cisco Advanced Technology Providers selected to bring this breakthrough business solution to the marketplace. Join our live Webcast to learn how Cisco TelePresence transforms business communication, and how you can leverage its power to enhance your most valuable customer relationships.

Topics include:

- Product overview, vision and roadmap
- Partner value proposition
- GTM plan
- Partner strategy
- Sales tools and training

We're so dedicated to your success with Cisco TelePresence that we're inviting your entire Cisco team to the Webcast. This can be your first step toward joining the global ATP network that will support Cisco TelePresence at launch. Come take advantage of an extraordinary opportunity that can lead directly to increased product sales and service offerings throughout your target markets. [Register to attend now](#).

Sincerely,
Cisco Systems, Inc.
